MEMORANDUM FOR: Chief, Intelligence Production Staff,
Office of Scientific Intelligence

SUBJECT: Comments on OSI FY-1961 Production Program

1. Your FY-1961 Production Program has been reviewed with interest, and in numerous areas of endeavor PIC would hope to provide you with photo intelligence support. Insofar as Projects PD-6-431 and PD-6-6-B are concerned, it is not anticipated that there will be any duplication of effort. Our Technical Intelligence Services Division does have some pertinent data concerning Soviet optics and photography which might be of interest to you, and we will see that it is made available to your project people whenever they might wish to review the materials.

2. I am sure your research along lines indicated by the projects will be helpful to us. Unless you need the copy of the FY-61 Production Program which you sent me, I will retain same and see that [] people are alerted to the forthcoming OSI work projects.
